Introduction: SMALL PROJECT SPECIALIST, REPAIRS & DECORATIVE JOBS. This is a veteran-owned business, which prides itself on professionalism and integrity. Serving Broward and Miami Dade counties. I am bilingual and speak English and Spanish fluently. No job is too small. Do you have a honey-do list? How about preparing your house to sell, and it needs some curb appeal? If you're on a budget, sometimes it's better to repair than to replace. Contact me with any questions, and I can offer you a free estimate. Call Andy 1.3053896434
